

## Creating a Website for Frillio's Pizza

### Grading Rubric

First define your site in Dreamweaver for the Frillio's Pizza Website. Make sure you create your **root** as well as your **pics** folder.

Create all your pages for the site which include:

- Home Page
- Appetizers & Side Orders
- Pizza
- Submarine Sandwiches
- Dishes
- Pies
- Beverages
- For the Kiddies
- Desserts

Create titles for your web pages using Adobe Fireworks. Insert them at the top center of each page.

Give each page a title.

**Home page** contains:

- **Food Graphics that represent each category along with text to link** to their external page.
- Frillio's pizza **logo**.
- **Contact Information** listed below needs to appear on the Home page.

Address: 111 Pepperoni Drive Saucy, CA 92888  
Phone Number: 1-888-FRILLIO  
Fax Number: 1-888-654-7814  
E-mail address: Owner@FrilliosPizza.com  
Web Address: <http://www.frilliospizza.com/>

- **Hours of operation.**

Mon - Thurs 11 am - 9 pm  
Fri, Sat, & Sun 11 am - 10 pm

- The slogan, "**The best pizzeria in town**".

### Example of the Home Page

**Eight additional pages** contain:

- Items from the menu along with the price.
- A home button that returns to the home page.
